

Adding My Mediasite Presentations to a Channel

Navigate to the Presentation in MyMediasite, click on the Publishing Tab, then follow the instructions below:

The screenshot shows the rtrtrt Mediasite interface. At the top, there are buttons for 'Save', 'Reset Media', and 'Cancel'. Below that is a navigation menu with 'Summary', 'Share', 'Edit', 'Security', 'Analytics', 'Copy To', and 'Delete'. The main content area is divided into two sections. The top section shows a video player with a calendar for February 2012. The bottom section is the 'Publishing' tab, which contains a 'Published Destinations' section with the message 'No Published Destinations Found'. Below this, there are three dropdown menus: 'Type' (set to 'My Channel'), 'Destination' (set to 'Demos'), and 'Feed Item' (set to 'Video Podcast (composite)'). A red arrow points to the 'Type' dropdown, and another red arrow points to the 'Destination' dropdown. At the bottom right of the 'Publishing' section, there is a red text label 'last press add' and two buttons: 'Add' and 'Cancel'.

**Pick type = My Channel
Then pick the destination channel.**

last press add
